Description

The apartment house, with three apartments and beautiful open view from each unit. It is ideal for family and friends and everyone who want to enjoy the quiet and relaxing atmosphere – achieved through the tasteful, attractive, comfortable and elegant interior and timeless ambience in the heart of Dalmatia.

Studio apartment is placed on ground floor, despite of 60 square meters of spacious interior, guests are welcomed to use garden with sitting area and sun lodgers, private outdoor shower with warm water. Interior is decorated in elegance and style which gives soul to this romantic apartment.

The second apartment is situated on the first floor and offers infinity sea view only 50 m distance from beach area. Three comfy bedrooms with one bathroom will guarantee a good sleep and amazing mornings! Many interior details, works of art are there to radiate positive energy. The shared pool is inspired by nature and is made with a salt electrolysis system.
